

# WINDOWS LIVE MOVIE MAKER

## An Overview

### Importing Videos

1. Click on the home tab, then click on Add videos and photos

2. Now browse to your external storage device, select the file(s) you would like to import, and click **Open**.
  - a. Or you can also just drag and drop video clips and photos into Movie Maker from a file browser window of your external storage device

For a video tutorial, visit: <http://windows.microsoft.com/en-US/windows-live/movie-maker-get-started> (click on import photos & videos)

### Edit Video

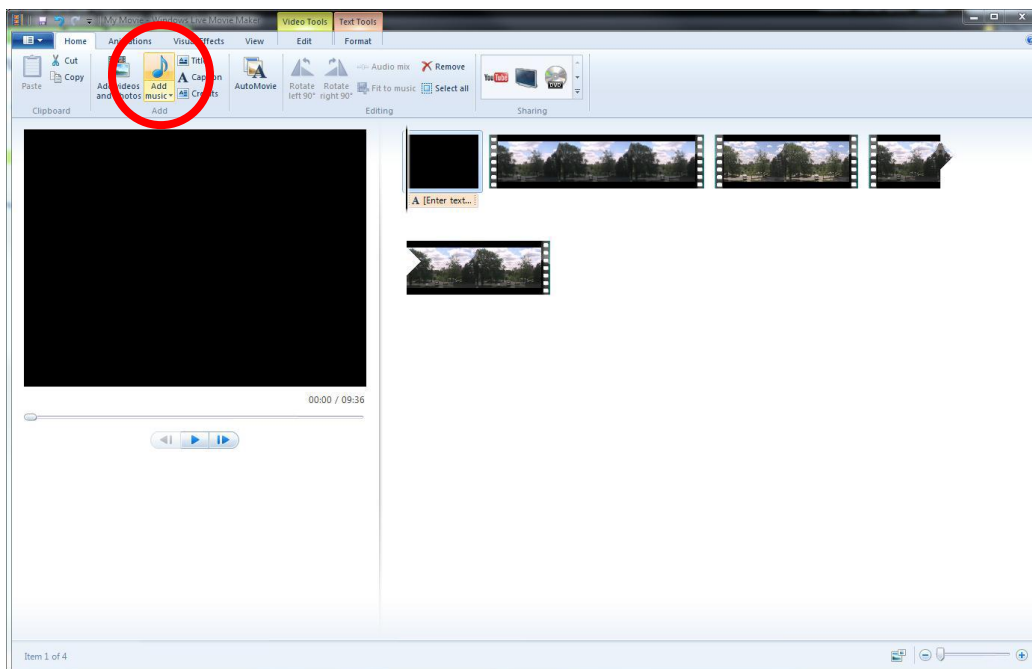

1. Click on the **edit** tab in Movie Maker
2. Click the **trim** tool - this will open the trim tab
3. Use the sliders to select the portions of the clip that you want to keep.
4. Click the **save trim** button on the top menu.

For a video tutorial, visit: <http://windows.microsoft.com/en-US/windows-live/movie-maker-get-started> (click on edit your movies)

## Add Title Slide

1. Position the playhead in the position where you will want to place the title slide. Click on the **title** button on the Home tab

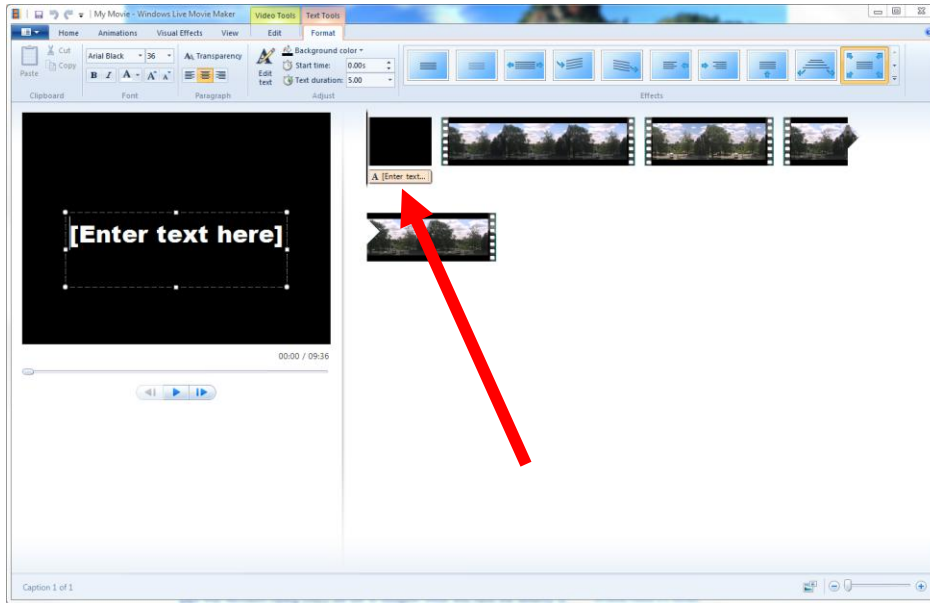

2. You will see two new icons at the top of the window. The Video Tools tab and the Text tools tab.
3. Click on **Text tools**. You will see several options for changing the font and layout of the text

Guide adapted from several sources: [http://www.utoledo.edu/eduhs/cen/carver/tutorials/Windows Live Movie Maker Guide.pdf](http://www.utoledo.edu/eduhs/cen/carver/tutorials/Windows%20Live%20Movie%20Maker%20Guide.pdf)  
<http://www.uwb.edu/it/howdoi/articles/windowslivelivemoviemaker.pdf>

4. Double-click on the “Enter text here...” under the title icon in the timeline and add text

5. If you wish to change the amount of time the text appears on the screen **increase the text duration**.

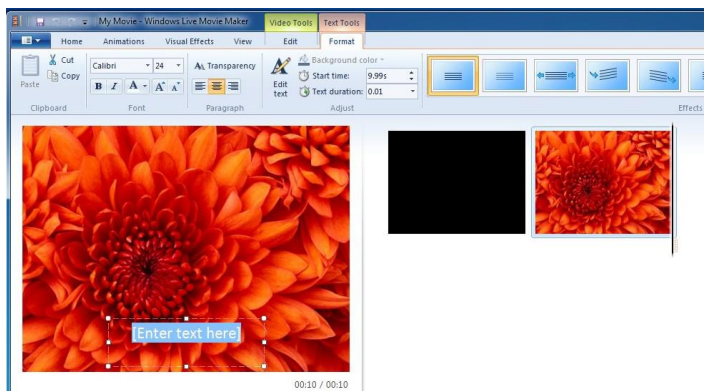

6. Click on the **Video Tools** tab to change the duration of the entire title slide.

## Adding Captions

1. Click on the photo or clip that you want the caption to be on. Then click on the **Home** tab, then click **Caption**

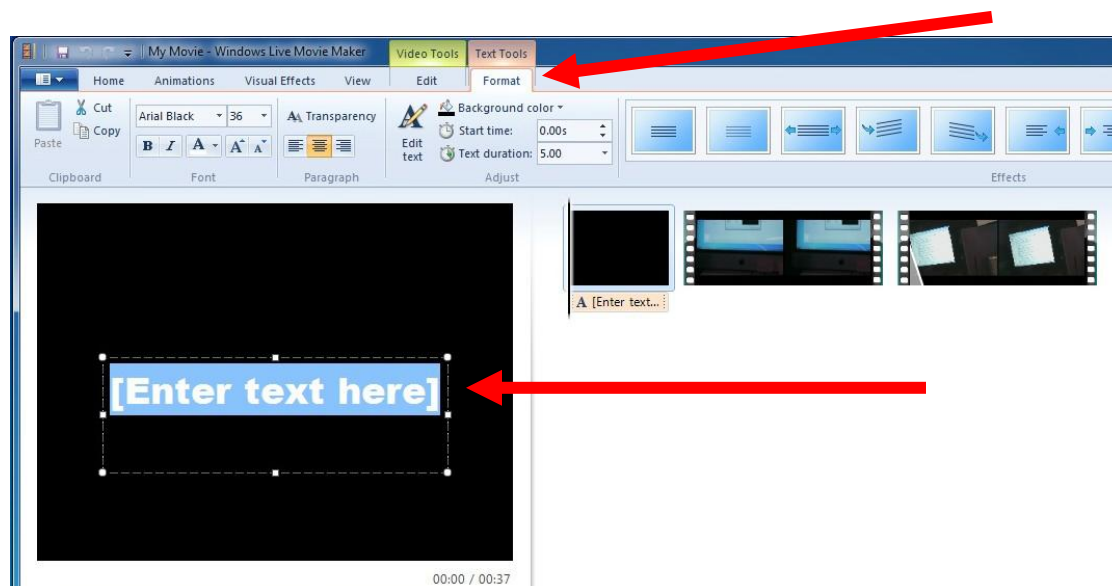

2. A text box will appear on the lower part of your image or video. Click inside the text box and enter your text.

## Adding Titles or Credits

1. Click on the photo or clip that you want the caption to be on. Then click on the **Home** tab, and then click **Caption**.
2. A text box will appear on the lower part of your image or video. Click inside the text box and enter your text.
3. Click on the **Home** tab, and then click either **Title** or **Credits**.
  - a. A black slide will appear. Click inside the text box and enter your text.

\*Note that the title will default to a slow zoom and the credits will default to downward scrolling through the text. However you can add different motion to the slide with the various options in the upper right corner, on the **Format** tab.
